## **Safeguarding Policy and Procedure**

### **Policy Statement**

This Policy and Procedure is written to enable the Trustees to act appropriately whenever possible or where instances, or allegations of, actual abuse or neglect comes to their attention.

Taw U3A recognises that some people are potentially at risk of abuse and neglect. Abuse and neglect can take place in a person's own home, in the home of a carer, family member or friend, and within any form of institution e.g. hospitals, residential care or nursing home.

Where abuse or neglect is suspected Taw U3A will aim to respond to the situation in a way which is caring, effective and enabling. Taw U3A also recognises that abuse and neglect can be perpetrated by volunteers, other users of services, relatives, friends and neighbours. Taw U3A acknowledges that the reasons for abuse and neglect occurring may not be fully understood and vary with each incident, often dependant on risk factors

Taw U3A will neither condone nor tolerate any form of abuse or neglect and believes that all people should be able and, where necessary enabled, to live in an environment which is safe.

In all situations, Taw U3A believes that everyone is entitled to:

- privacy
- be treated with dignity and respect
- lead an independent life and to be enabled to do so
- choose how they live their lives
- the protection of the law
- have their human and civil rights upheld regardless of ethnic origin, gender, sexuality, impairment or disability, age, religious or cultural background.

It is not appropriate for Taw U3A to take the lead role in any Safeguarding Enquiry under Section 42 of the Care Act 2014, but should refer this to Advice and Volunteer Manager in National Office who will contact the appropriate local authority.

Taw U3A will monitor the implementation of this policy and procedure annually through its Executive Committee.

### **Procedure**

1. Taw U3A recognises that it has a responsibility to ensure that its committee and group leaders understand this policy.
2. Taw U3A will support the alleged victims and the alleged perpetrators of any abuse as well as any volunteer who becomes aware of the abuse in so far as this does not compromise any Safeguarding Enquiry or investigation into the allegation or place other adults at risk.
3. While Taw U3A will make every effort to respect the confidentiality of any information that is disclosed under this Policy and Procedure, this cannot be guaranteed. Information will be recorded and stored securely in accordance with GDPR 2018 but confidentiality is not absolute and information may have to be shared, on a 'need-to-know' basis only, to prevent:
  - Danger to a person's life

## **Appendix 3**

### **If someone discloses abuse to you:**

#### **Do:**

- Stay calm and try not to show shock or disbelief
- Listen carefully to what they are saying
- Be sympathetic (I'm sorry that this has happened to you')
- Be aware of the possibility that medical evidence might be needed
- Tell the person that:  
They did the right thing to tell you  
You are treating the information seriously. It was not their fault  
You are going to inform the appropriate person  
You will take steps to protect and support them
- Record and report the disclosure in line with the Procedure

#### **Do Not:**

- Press the person for more details; this will be done at a later date
- Stop someone who is freely recalling significant events (Don't say 'hold on, we'll come back to that later'; they may not tell you or anybody else again)
- Do not promise to keep secrets; you cannot keep this kind of information to yourself
- Make promises you cannot keep (Such as 'This will never happen to you again')
- Contact the alleged abuser
- Be judgemental
- Pass on the information other than to those with a legitimate 'need-to-know' under this Policy and Procedure

### **In your record of the disclosure:**

You should aim to:

- Note what people actually said, using their own words and phrases
- Describe the circumstances in which the disclosure came about
- Note the setting and anyone else who was there at the time of the abuse or the disclosure
- Separate factual information from your own and others opinions
- Use pen or biro with black ink so that the report can be photocopied if needed

And be aware that your report may be required later as part of a legal action or disciplinary procedure.
